Dear Guardian/Participant/Caregiver:

This letter is to inform you that our summer dates in our recreation guide are incorrect for the Choices program. The correct dates are:

Monday, July 7th - Thursday, August 21st

So please make note that **we will** be having program during the week of **Monday, August 18th - Friday, August 21st**. We will then take a two week break and resume fall programming on Monday, September 8th.

With summer here, please do note that we spend a decent amount of time outside. Please send your participant dressed appropriately for the weather and remember to apply sunscreen and/or send them with their own. We cannot give out sunscreen, so this is something that must come from home. Also, please remember to send your participant with plenty of water. If they come with water bottles, they will be able to refill them.

Thank you,

Carmen Murrell
